MARCH 2018

Dear Parents,

We have had such a great time with the community helpers theme! Our students have experienced great learning moments throughout the past weeks. There is more excitement coming our way. We start off the month of March with school and class pictures. Then, parent-teacher conferences will be held next Thursday, March 8. It is a great opportunity to meet and discuss your child's development with his/her teacher. Please confirm your attendance and show respect towards other families by being punctual.

The Spring Parade and Party will be held at the Alpino Chipinque on the morning of Wednesday, March 21 for Toddler Tree families. As a special family project, we ask you to help your little one in decorating a trike, bike or car with the Spring and Easter theme. Log on to our website for ideas. All students will participate in the traditional Spring Parade.

Here are the activities and schedule for that day:

10:00 am Arrival & photo session with Easter Bunny.

Fun centers: face painting, butterfly and carrot stuffing,

10:30 am Parade of decorated scooters, trikes, cars or bikes (please assist your child in preparing it at home... check our website for examples of how Toddler Tree families have decorated different vehicles using paper, balloons, flowers, plush toys and other decorations)

10:45 am Snack, which will be provided by Easter Room Mothers.

11:00 am Egg Hung (keep in mind that our child needs a bag or basket for this activity)

In case of inclement weather, the party will go on. We recommend you wear comfortable clothing. We hope to see you all there!

Our last day of school before Spring Break is Friday, March 23rd. We are looking forward to seeing your kids back at kinder on Monday, April 9. Have a wonderful Spring Break!

Sincerely,
Anna Cristina Severeid
